

How Much Will You Spend on Your Vision?

When it comes to the cost of eye care, nobody likes surprises. Feel prepared for your eye appointment with a VSP® Vision Care network doctor by using VSP's Eye on Cost Calculator™.

Answer a few questions and get an estimate on what you can expect to spend out-of-pocket when going for a vision exam, shopping for eyewear, or both!

Tips to Help Reduce Your Out-of-Pocket Costs

Is your out-of-pocket estimate higher than you expected? **Here are some ways you can get the most out of your VSP coverage and keep more money in your pocket:**

- Visit a VSP Premier Edge™ location, including private practice doctors and Visionworks®, where you'll have access to exclusive rebates, advanced exam technology, a worry-free eyewear guarantee, and more.
- Choose a Featured Frame Brand⁺ and get an to spend on frames. You can find a complete list of brands online at vsp.com/framebrands.
- Ask your VSP network provider about the lens options available to you. VSP members can save up to 40% on lens enhancements and your provider can help you choose the most cost-effective options.
- Connect your benefits when you shop online and in-network on eyeconic.com® and you'll save an additional 20% on any eyewear out-of-pocket costs just for being a VSP member.

How Does VSP's Eye on Cost Calculator Work?

The cost of eye care and eyewear can vary based on a variety of circumstances, such as where you live, the provider you see, the materials you choose, and more. VSP's Eye on Cost Calculator™ will provide you with an estimate based on your plan information and national averages. That means your final cost may be higher or lower than your estimated total when you go to the eye doctor or start shopping.
